Step9.Customer support

The screenshot displays the nicexai user interface. At the top left is the nicexai logo. To its right are navigation links for 'Home' and 'Courses'. Below the logo is a user profile section for 'test1' with a green circular avatar containing a white 'T'. Under the profile, there are two counters: '0 Courses' and '0 Following'. A sidebar menu on the left contains icons and labels for 'Dashboard', 'Courses', 'Support', 'Contact us', 'Settings', and 'Log out'. The 'Support' and 'Contact us' items are grouped together and highlighted with a green box. A pink arrow points from the text 'Support and consultation' to this green box. The main content area features a 'New support message' form, also outlined in pink. This form includes a 'Subject' text input field, a larger 'Message' text area, and a green 'Send Message' button at the bottom.
